 **daptive**[®]

Smart and adaptive system, for a
dynamic comfort solution. The shoe
adapts according to the kind of
applications in use: it **dissipates high
impact energy, stabilizes the walk,
and it helps you maintain the correct
posture keeping the foot on axis,
reducing risk of sprains.**

 **Base**
feel the comfort

SmellStop

3D hi-tech fabric lining for the best breathability with
permanent antibacterial treatment*, it prevents the
proliferation of bacteria and bad odors

Water resistant **microfibre**

Aluminium toe-cap

Double density TPU RXT outsole

- **Stability control, lightness, resistance and grip, in one single shoe**
- **Ideal for work on smooth and wet floors**
- **Designed for workers who spend most of their time standing.**

«RXT» is the new formula "made in Base Protection", for a sole that combines **lightness, high
resistance to abrasion and slip.**

The **special tread pattern**, associated with a **new generation blend**, increases **grip** on the most
critical work surfaces, **even in wet conditions.**

Shock absorbing is also enhanced in the front part (metatarsal area), for a greater **cushioning effect**
and a feeling of comfort **on the entire sole of the foot**

***SmellStop: Treatment made** with biocide *Zinc pyrithione (CAS-No. 13463-41-7)* product type PT 09 who counteracts the deposit of microorganisms on the surface of materials.
